Subject:- Temporary posts in the Backward Department -
~~Continuation~~ Continuance of-beyond the
Sanctioned tenure.

....

Reference Government Resolution, Education Department, No. BCE, 1054, dated the 24th December 1954 on the above ~~subject~~ mentioned ~~above~~ subject.

2/- . In the above quoted Government Resolution, sanction is accor ed to the continuance of the temporary posts in the Backward Class Department mentioned in the accompanying statement for a period of one year ending the 29th February 1956 or till orders making them permanent are issued whichever is earlier. In addition, Government under their letter No.BCE 1054/6554-J dated the 9th December 1954 have also sanctioned the post of a statistician in the Head Clerk's grade for this Department during the year 1955-56.

3/- As per rule 24 of the Bombay Budget Manual provision is required to be made in the regular Budget Estimates only in respect of such posts for which there is Government sanction for inclusion in the Bueget Estimates,. Since Government orders for making the temporary posts under reference permanent hace not been received so far the tenure of these posts which will expire on 29/2/1956 will have to be extended if it is not possibl to make them permanent for the present. Detailed Proposals for the continuance of these posts during the next year will be submitted in Government in due course.

As there are reasonable chances for the continuance of ~~these~~ these posts, during the year 1956-57, I would request that administrative sanction for making necessary provision on account of these posts in the next year's budget estimates, may kindly be accorded at an early date.

Similarly, it may be stated that Government hace sanctioned Provision on account of 11 additional posts of Backward Class Welfare Officers and their staff in the current year's budget for ~~the Backward Class Welfare Officers and their staff in the current year's buget for~~ The Backward Class Department (Vide Government letter, Rehabilitation, Housing and Backward Classes Department No.BCE.3655/1752-J, dated the 14th June 1955), and have fubther stated that orders regarding the creation of 11 additional posts of Backward Class Welfare Officers will be issued separately,. So far Government orders in this respect have not been received. Moreover it is presumed that 11 additional posts of the Backward Class Welfare Officers and their staff will be continued during the year 1956-57 and necessary provision for these posts will have to be made in the regular bueget estimate (Part II-A) along with the provision to be made in respect of other temporary posts. This may please confirmed.

4/- Very early orders are solicited in the matter as the budget estimates for 1956/57 are to be submitted to Government by 1st October 1955, at the latest, however, I propose to make provision for all the temporary posts sanctioned to this Department including 11 additional posts of Backward Class Welfare Officers in the regular budget estimates for 1956-57 in anticipation of Government orders if the same are not received ithin the due period in order to avoid delay in submission of the budget estimates for want of necessary Government sanction.

5/- If Nomadic Uplift Officers and the special staff for nomadic and semi nomadic tribes are to be appointed this year and continued for 1956-57 ~~xxxx~~ provision also will have to be made and administrative approval for them also would be necessary.
